

Dear Parents,

“A goal properly set is halfway reached.”

Akshara believes in giving its students experiences beyond the textbooks in order to make them independent and responsible individuals. In this regard, the school in collaboration with Dheya Career Mentors, had organized some very enriching and educative sessions for the students of class IX. These sessions conducted by the experts from Dheya, gave them an insight into their potential, aptitude and goal planning.

In continuation to this, a workshop for parents has been scheduled on Saturday, 27th April, 2019. The workshop which will be conducted by Mr. Anand Desai, CEO and Founder of Dheya Career Mentors, will primarily comprise of the following topics to educate parents and build their awareness about Career planning:-

- (a) Understanding the Importance of Career Planning from an early age (Explain the difference between Career Counselling and Career Guidance & Planning)
- (b) Understanding Teenagers and Parenting Tips towards motivating youngsters for enhanced performance.
- (c) Understanding Future of Work and Futuristic trends based on their research on 22000 occupations.
- (d) Process of connecting the Natural strengths of students to exciting opportunities in the world of work.

Time: 9:30 am to 10:30 am

Venue: A.V Hall (5th Floor)

Expecting your wholehearted participation!

Warm Regards
