MESSAGE

I am pleased to know that the Akshara International School, Pune is celebrating its 10th Commemoration Day on the occasion of successful completion of 10 glorious years of service to society.

Swami Vivekananda had said, "We want that education by which character is formed, strength of mind is increased, intellect is expanded, and by which one can stand on one's feet". It is indeed gratifying to note that in keeping this noble objective in mind, the Akshara International School, Pune has been striving to create globally aware but culturally rooted individuals prepared for lifelong learning. I am pleased to note that the School has received awards and recognitions from various international forums for embedding an international dimension within the curriculum and for nurturing intercultural understanding and appreciation of sustainable dimension goals. The School deserves compliments for providing an environment to academic excellence, intellectual growth, mindfulness skills, art, sports, community service and team spirit.

I congratulate the Akshara International School, Pune on the its 10th Commemoration Day and wish it Godspeed in its future endeavours.

(Bhagat Singh Koshyari)
